Class Foreword

The Senior Class of 1953, about to leave Orwigsburg High School, wishes to contribute this edition of our year's work to our readers. We believe that this yearbook is more original because of it's "Pennsylvania Dutch Theme". We are most certain that you will enjoy to read it.

Dedication

We, the class of 1953, are indeed proud to dedicate this issue of the Hi Crier to Mrs. Anna S. Erb. Mrs. Erb teaches second grade in our elementary building and plans to retire at the end of this school term.

She was born on September 11, 1884, graduated from Orwigsburg High School in 1900, and from West Chester State Normal School in 1902. She has taught a total of 26 years, 23 years of which were spent in Orwigsburg. She has three children, each of whom was engaged in the teaching profession for some time.

Mrs. Erb has served Orwigsburg school well. She has been one of its outstanding teachers for many years. Her kind, but firm ways with children will linger in our memories for many years to come. For her inspired service, we dedicate, to Mrs. Anna S. Erb, our 1953 yearbook. We further wish for her, many years of continued good health.

Pennsylvania Dutch

Everyone of us, at some time or another, has seen articles of Pennsylvania German art, perhaps in our homes or elsewhere, but we have never learned of its significance. Thousands of German families of the peasant class, repressed, persecuted, driven out of their native country because of their religious beliefs came over of their own accord. Some of them coming to these shores moved up the Hudson and settled in New York. Others, the majority, settled in the counties of Philadelphia, Montgomery, Bucks, Northampton, Lehigh, Berks, Schuylkill, Dauphin, Lebanon, Lancaster, and York, and called themselves the "*PENNSYLVANIA DEITSCH*" ("Dietsch" in high German).

Although their comfortable homes were almost devoid of color and although their religion forbade the use of color on their persons, they attempted to put a gay note into their otherwise dull surroundings by using all sorts of devices—decorating in gaudy reds, greens, and yellow all the articles which were used everyday in the home.

People are awakening to the fact that in spite of its simplicity, or perhaps folk-art is truly a great heritage and one, well deserving of all the praise and recognition we can give it. As a practical art, one with which the people lived day by day, it meant much to its creators and holds something for us if we will only look for it. For, of such sturdy stock was composed our great nation, in which all peoples, great and small alike, can express themselves to the fullest extent of their abilities.

Alma Mater

Our strong band can ne'er be broken,
Formed in Orwigsburg High
Far surpassing wealth unspoken,
Seal'd by friendship's tie.

Chorus:

Alma Mater, Alma Mater,
Deep graven on each heart,
Shall be found unwavering true,
When we from life shall part.

Principal's Message

The time has come in your lives when you will leave public school to take up the job of being an American citizen. Being a citizen in America should make each of you proud. In a broader sense, being a citizen is living our lives.

Living a life could be considered similar to building a house. When building a house, the owner is usually desirous of having the best material available. Good material put into a house enables it to withstand the storms of time. Any house must be built upon a solid foundation. In living your life, you will want to put the best of everything into it. During your twelve years, your teachers have tried to give you material to make up the foundation of your life. The rest of the construction remains in your hands. Build a good life upon the solid foundation.

My I extend hearty congratulations to all of you and wish you, the best America has to offer.

Class Song

(Tune — Till We Meet Again)

Smile awhile, we bid you sad adieu,
O. H. S. will surely think of you
As thru memory lanes we go
With friends and joys we used to know,
Smile awhile although we have to part,
Our tears will never cheer an aching heart,
Smiles will make our lives seem bright,
Till we meet again.

Smile awhile we bid you sad adieu,
As the days go by we'll think of you
Then the days won't seem so blue
When we're far away from you,
O. H. S. we leave our dreams to you,
Every year will be a memory,
So wait awhile and think of us
Till we meet again.

"PENROD"

Booth Tarkington

"Penrod," was presented on November 4 and 5, 1952, in the High School auditorium, under the supervision of Miss Meta M. Matlern.

Penrod, a mischievous young scoundel, wants to be a great detective but his plans are foiled when he is given the main part in a church pageant. He manages to bring about the downfall of the pageant and goes on to start his own detective agency with his life-long pal Sam and his friends Herman and Verman as assistants.

Penrod overhears his mother and father discussing Mr. Dade, a stranger, who comes calling on his sister. He and his assistants get into a great deal of trouble in following Mr. Dade, but when the Chief of Police arrives and tells everyone that Penrod is to be congratulated for catching this thief who has been specializing in phony checks, beating hotel bills, and working stock jobbing schemes on small country banks, he becomes the most important person in town.

Senior Typing Class

COMMERCIAL COURSE

The Commercial Course, which began this year, through the efforts of Mr. Fisher, has provided the students of Orwigsburg High School with new classes which were not offered to them in the past years. Miss Janet Price is the teacher in charge. Ten typewriters were acquired for the course as a beginning. It is planned to get more equipment for this department each year. This Commercial Course is a three year course, beginning in the tenth grade. Typing was offered to the Seniors; General Business, to the Juniors; and a combination of both, to the Sophomores. To provide for this Course, Latin and General Mathematics were dropped from the curriculum.

Through the efforts of Mr. Fisher and Miss Price, field trips were taken by the Senior Academic Typing Class to several business offices in Orwigsburg, in order to learn of job opportunities and modern office procedures. The interest shown on the part of the students gives sufficient evidence that the Commercial Course will remain in the Orwigsburg High School.

Activities

Activities

The activities at O. H. S. are many and varied. The Hi-Y and Tri-Hi-Y Clubs teach desirable attitudes, good sportsmanship, and respect for religion. The Press Club provides an outlet for those with literary ability. For the musically inclined, there are the Band and Mixed Chorus. The Student Council is our student self-governing body. It is comprised of eighteen members and four officers. This past year the Student Council sponsored a "Color Day" program, this being the first time such a program has been held in our school. These activities have upheld the traditions of O. H. S. We hope they will continue to do so in the future.

The Forest Prince

Tatiana, a princess of Hungary, is held for ransom by the Gypsies, although Dimitri, is prince of Hungary and her finance, is general of King Michael's army, he is too cowardly either to rescue Tatiana or to defend Hungary against the invading Tartars.

Vaslav, chief of the Gypsies, goes to the King's court to get the ransom. He finds himself admiring the King, and offers the help of the Gypsy forces against the common enemy, the Tartars.

The Tartars are beaten. Events show that Vaslav is the son of King Michael, long ago captured by the Gypsies. Since he is of royal blood, Tatiana, who has fallen in love with him may marry him. The operetta was rather well attended and was enjoyed by everyone present.

Community Memorial

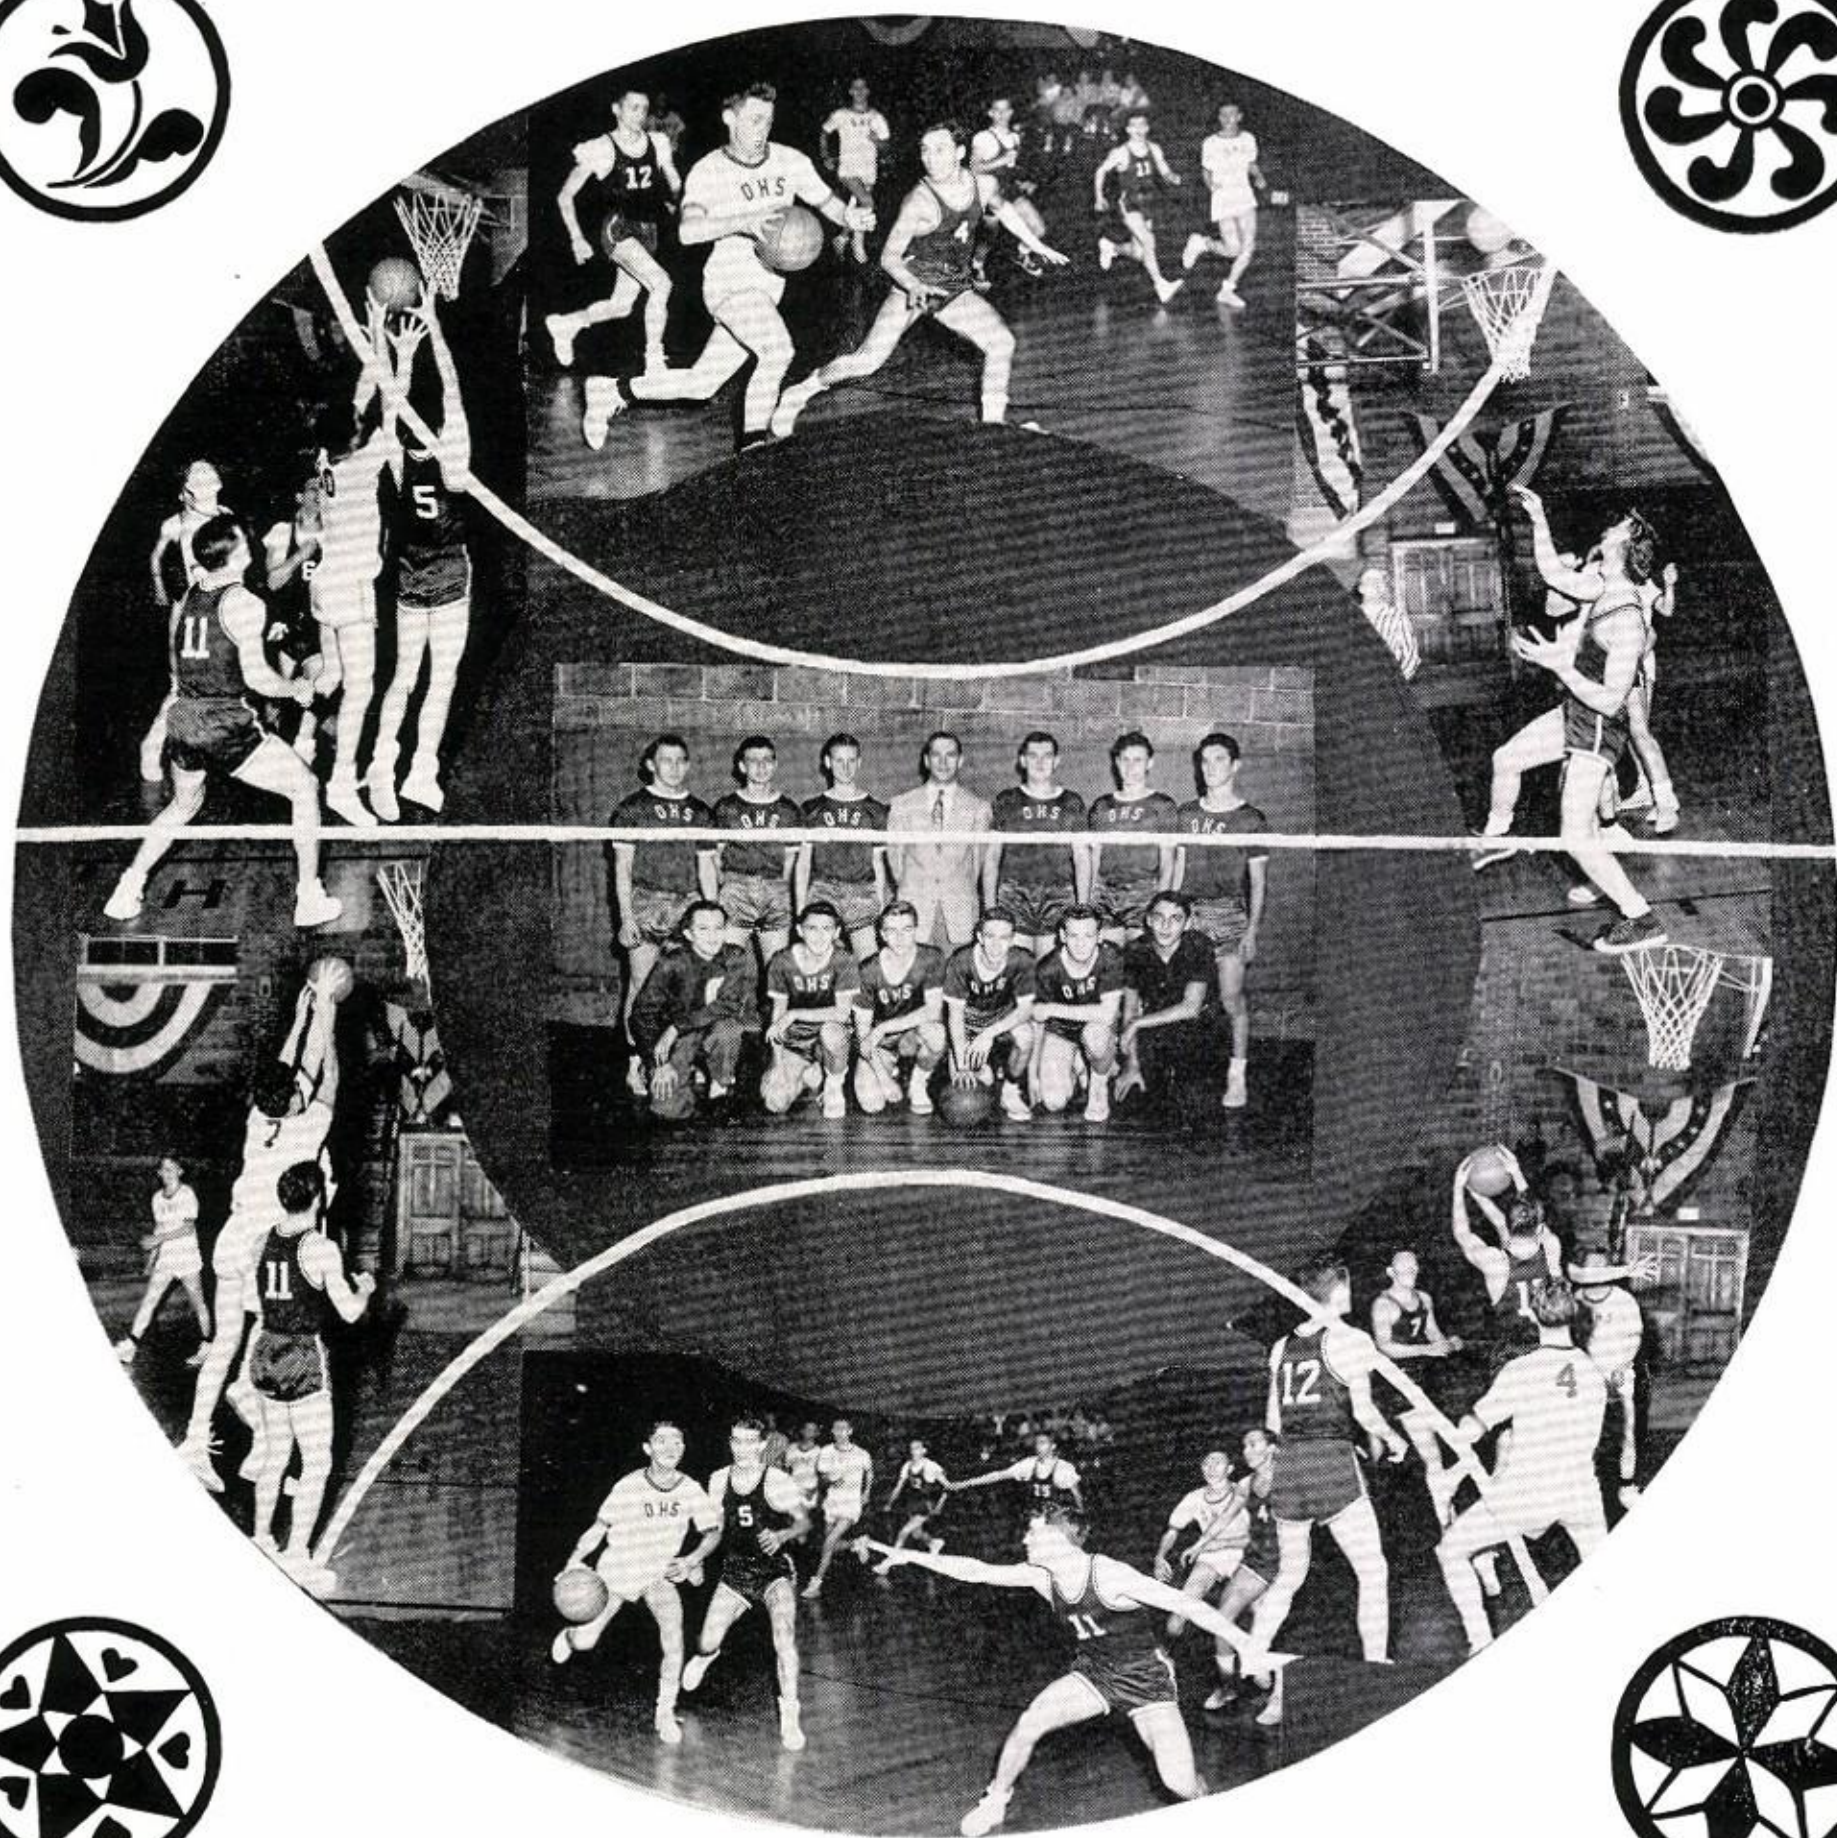

This, the Community Memorial, is a living tribute to the men and women of Orwigsburg and surrounding communities who fought in past wars to defend our country and make it a better place in which to live. The money for this building was given generously by people from Orwigsburg and vicinity to show their appreciation to those who fought and died for their country.

We of the community can be grateful for what we have accomplished in building this Community Memorial. To the students of our schools it has been a place in which to have the recreation that a growing child needs. It also supplies the school students with a place in which to hold many of their school activities such as school dances, high school basketball games, volleyball games, pep rallies, gym class, the Junior Prom, puppet shows, musical programs, and many other similar activities. We, the students of the Orwigsburg schools, wish to express our deepest appreciation for this, The Community Memorial Building.

To the adults of Orwigsburg and the vicinity it has also been a place of recreation, in that every two weeks a professional wrestling bout is staged, semi-professional basketball games can be seen, an annual banquet is held here, music festivals are put on, and approximately once a year an outstanding musical entertainer is here to put on a show.

We, the people of the community, can be proud of what has been done through this Memorial Building. It has served two very great purposes: One, a great tribute to our fighting men; the other, a place of recreation for the people of the community.

The Orwigsburg "Blue Jays" were successful in winning only one of the sixteen league games played during the '52 '53 basketball season. Even though the team lost many games, they played some close scoring, exciting games. They showed fight and a willingness to win. We look forward to next year with hope of having a better team.
